NAAC DVV CLARIFICATIONS

2.1 – Number of teaching staff /full time teachers during the last five year (without repeat count) (Metric 2.1)

HEI Input: 135   Revised HEI Input: No Change

DVV Clarification	HEI Response
1) Value has been updated excluding the teachers joining the institute in 2022 and not completing the tenure of 11 months in an academic year has not been considered; HEI to provide list of full time teachers (Without repeat count) with date of joining, date of leaving the institution during the last five years duly certified by the head of HEI.	1) As per the DVV suggestion the HEI considered only the teachers who have 90% of teaching load. The full-time teachers who were appointed in 2022 in permanent positions completed the statutory number of hours of work in teaching and administrative responsibilities as per NAAC-SOP for the academic year 2022-23. Due to the impact of the COVID-19 pandemic and the inception of NEP 2020 by affiliating University in 2021-22 the academic sessions were delayed, affecting admissions and the commencement of regular classes for the academic year 2021-22 and 2022-23 and completing the session in September 2023 only. As evidence of this we are enclosing the **(Undertaking from secretary for completing the 90% workload by full time teachers in 2022-23) and date sheet from affiliating University which shows that the final exams for semester II and IV under the NEP took place in August-September 2023. DVV may kindly accept the HEI input.**
