## ECO CLUB '*Clean & Green Ismail*'

Ismail National Mahila (P.G.) College is a NAAC accredited 'A' grade college. It is committed to sustainable development in all its endeavours. It acknowledges its responsibility to protect and nurture the environment. Our College's Environment Management System aims to create awareness amongst teachers, staff, students and management. Being conscious of our fundamental duties we try to maintain a pollution free campus and incorporate best practices to help to provide better environment for future generation. Our institution is committed wholeheartedly to the cause of the environment. It commits to promote, monitor and operate environmental activities with the slogan '**Clean & Green Ismail**'. We take all positive initiatives to make our college an environment friendly premises, which will serve as a model for other colleges.

### Objectives:

- To help student acquire experience in using their acquired knowledge and skills in taking thoughtful, positive action toward the resolution of environmental issues and problems.
- Seeking opportunities to develop environmental awareness in teachers, staff and students through academic programs.
- Reducing waste sent to landfill, reducing the environmental and other effects of transport, reducing pollution.
- To conduct rallies by the teachers, staff and students to create mass awareness.
- To reduce raw materials and energy consumption that could risk the sustainability measures being taken at college level.
- To increase awareness about sanitation practices and cleanliness in college.
- To encourage and inculcate clean and green practices among students such as water management and conservation practices.
- Collaboration with Eco-Friendly Associations to assess, manage and implement the sustainable practices.
